Dear sir/madam,

I am interested in applying for the role which was posted on the Job Description. The role seems to fit very well with my education and professional interests.

Your role requires skills in various types of programming . My technical expertise includes work with Python, C, Java, SQL,HTML and CSS.

My technical skills can enhance your company's image. I am really looking forward to be a part of your company.

Please contact me at [mysa18is@cmrit.ac.in](mailto:mysa18is@cmrit.ac.in) or +91 8008860608. I have enclosed my resume and looking forward to meeting.

Thank you in advance.

Sincerely,

**MYLAVARAPU SAI GANESH**
